

Smartphone And Tablet Setup

Smartphone and Tablet users can stay connected 24/7 with our free Mobile App. Deposit a check, check account balances, make transfers between accounts, and more. It's easy and convenient.

Features:

- Make Deposits
- Check Balances
- Transfer Funds
- Locate ATM

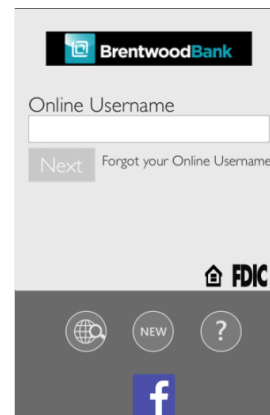

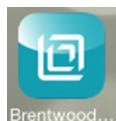

Steps to Register your Phone:

The registration process may start any time after the account holder has enrolled in Internet Banking and downloaded the app.

Mobile Phone And Tablet Setup

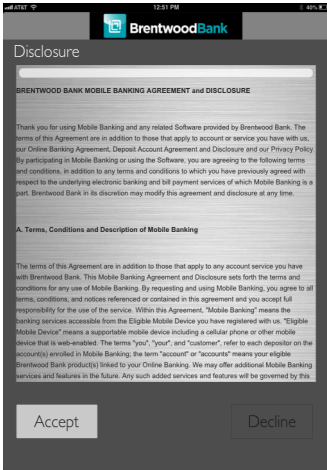

1. Click on the Brentwood Bank App on your mobile phone.
2. Enter your **Online Username**. This is the same Username you use to sign into online banking. Then click on the **Next** button.

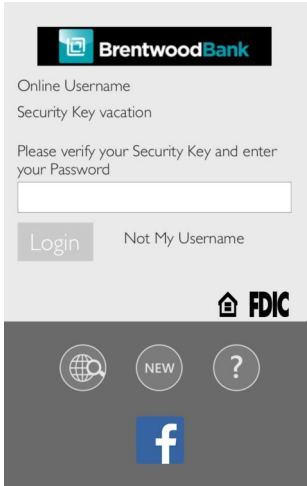

3. The first time you log in, you will have to answer a **security question**. (This question was originally setup with your online banking.) Enter the answer to your security question and select the **Next** button.

4. Any disclosures, terms of services, policies, or other agreements are presented. You will be prompted to read and accept before you can proceed with the registration. Select **Accept**.

5. Enter your **password** (this is the same password as your online banking password) and click on the **Login** button.

6. At this time, your mobile device registered. Click on the **OK** button after reading the security notice.

At this time you are ready to take advantage of all the convenient features your mobile banking app has to offer you.
